Author Biography

Matt Newnham is a British author, copywriter, and communicator based in West Sussex, England. He is best known for the Space Ranger Fred series, a collection of children's books that blend storytelling, humour, imagination, and STEM-inspired learning for young readers. Alongside his children's work, Matt writes and speaks about communication, storytelling, curiosity, education, and how clearer thinking can transform both business and everyday life. His work increasingly bridges the worlds of creativity, education, and communication. Matt is also developing animation, educational, and storytelling projects with international creative teams, while continuing to visit schools, libraries, festivals, and community events.
